

#### ULTIMATE ASSAULT.

This large rigid hull inflatable is selling exceptionally well. Peter Carlson, our MD has done hundreds of hours in the Assault and says this is the best riding boat he has been in BAR none. Anyone who wants a boat that can handle the rough water with ease, wants the ultimate trailer-able dive/fishing boat or just a super safe boat, that the whole family can enjoy, must test-drive the Assault. Phone Peter directly for more information -

ASSAULT 890HT

AB NAUTILUS 11DLX

#### AWESOME AB'S!

The AB range of inflatables has been a real success, with over 40 different models from small alloy RIBs (2.5m+) to the 9.0m Centre Console. We currently have 20 in stock to view and envisage this brand being the number 1 RIB range of inflatables in NZ within the next 2 years. They are constructed in the best materials available and incorporate the highest quality tubes in the industry, built in heavy duty Hypalon.

#### SUPER SELLING SURTEES.

The Surtees 4.7 Workmate has been our biggest selling boat this season, we can't get enough! We have sold over 50 of this model over the past year. This boat is a great performer as Surtees really know how to build an excellent riding hull, that is extremely solid. Surtees and Family Boats are proud to provide the best back up support in the industry.

**The boat is well priced from \$23,990.00, Order yours now!**

SURTEES 4.7 WORKMATE

## SERVICE TIME!

The workshop has been very busy, with some clients having trouble getting bookings - we apologise for this.

The best time to get a service done is between April and September, book in now and

**Get a 15% discount on parts and labour!**

(only for services booked for May - July)

## VISIT US ONLINE.

Visit Family Boats online at [www.familyboats.co.nz](http://www.familyboats.co.nz) for the latest stock, specials and promotions!

## BRILLIANT BUCCANEER.

Buccaneer 685 Hardtop.

This new model is arriving at the Auckland boat show in May, based on a shortened 735 Exess hull with a 635 sized cabin and new style hardtop. The boat like all Buccaneers will be the best in its class. This boat will have a large cockpit but still a cabin you can sleep in. Try one with the new Yamaha F250hp for a thrilling ride.

**Prices from \$110,000.00**

## BRIG IS HERE!

This high end brand out of Europe is one of the best you can buy, specialising in producing high end tenders from 3.4m to the awesome Eagle 645 RIB. We have just landed our first container with over half of them pre-sold. These boats come standard with loads of extras so when priced out they are only marginally more than lower quality brands. **If you want the best this is it!**
